Butcher family receives miracle

Two days before Thanksgiving, the Mike Butcher family received a miracle! Between fundraisers, donations and Mike's Benefit, Crystal, Jamie, Debbie, and Kelly were able to raise over \$13,600. With a very generous additional donation from the VFW, they were able to purchase the Butcher Family a brand new 2024

Chrysler Pacifica and also pay for a year's worth of insurance. The Butcher Family has an abundance of gratitude to everyone who made this miracle possible!

Ted Best and Dan Faulkner with the VFW presented Amy and Josh Hesson of Marietta Mobility with a check for \$59,700.08!
